Bursa Bull Charge 2016

Bumi Armada's (BA) teams once again did an amazing job this year at the Bursa Bull Charge charity race. The charity run, which took place on the 8th September 2016, entailed running 5km through the financial district of the city. BA was represented by 2 teams, namely **Armada Olombendo** consisting of Jean Hue, Terence Tan, Azwan Fitri and Cynthia Tan; and **Armada Kraken** consisting of Mohd Akmal Che Mat, Paul Duncan, Suren Sarkoonam and Nuara Haryanty.

Both teams gave a strong performance in the corporate team category of the Corporate Run. It was indeed a wonderful and positive experience whereby everyone was excited and energized for the charity run! Participation in the Bursa Bull Charge was an initiative taken by BA's sustainability committee to promote a healthy lifestyle among its employees.
