

BUMIARMADA

Stop Hunger Now- Meal Packing Event

On 19th July 2016, BAB continued its Sustainability Initiatives by holding the SHN Meal Packing Event, in support of the “Stop Hunger Now” Organisation. The event also promoted the Nelson Mandela Day & 2016 Follow the Sun campaign.

It was held at Menara Perak’s concourse and BAB Chairman, YAM Tunku Ali Redhaudin Ibni Tuanku Muhriz, was present to warmly welcome the South African Defence Advisor, Colonel Louis Buys. OCBC Bank employees were also present to support this event.

Close to 200 employees of Bumi Armada volunteered to assist in this project with the aim of packing 30,000 meals in two separate shifts. These meals were then distributed to The Rotary Club of Kota Kinabalu for last year's Earthquake and Mudflood victims who are still recovering from the disaster and also for the extreme poor Orang Asli in Sabah.

Proceedings started with several inspiring speeches from Tunku Ali, followed by Colonel Louis Buys and then Mr. Tiki Keh, President of Stop Hunger Now Malaysia. The event was then finally Officiated through the beating of the gong 3 times.

All in all, it was a wonderful day, the atmosphere was very upbeat & light-hearted with much encouragement through regular updates of the number of meals packed. Most importantly, every volunteer was humbled and grateful to be able to serve and contribute to this positive initiative.
